

UGA Agriculture Energy Innovation Center - Athens GA

**Proposed Recipient:** University of Georgia's College of Agriculture and Environmental Sciences

**Address of Recipient:** 101 Conner Hall; Athens, GA 30602

**Amount of Request:** \$1,000,000

**Explanation of Request**

**Purpose:** To advance farm energy efficiencies by coupling advanced information, communication and control technologies with improved plant materials, byproduct use and energy capture and conversion techniques.

**Why is it a good use of Taxpayer funds:** This research and demonstration project will facilitate the rapid advancement of new tools to increase the net production of energy from agriculture.
